The PGA has forged commercial relationships with many of the leading names in the golf industry as part of the PGA Partner Programme. These companies support the Association in a number of areas, including training and education, tournaments and branded facilities. The PGA has also formed relationships with a host of leading businesses who have become Official Suppliers because of their professionalism, experience and quality.

In 2015, Asbri was appointed as PGA Official Suppliers and signed a new three-year agreement to continue their sponsorship of the Welsh National PGA Championship, having been the title sponsor for the past two years.

In 2017, Asbri strengthened their ties with The PGA and became a PGA Partner and also extended their sponsorship of The Welsh National PGA Championships for a further 3 years.

Then in 2020, Asbri extended both agreements until 2024 solidifying their support for a total number of 9 years.

Credibility for our brand and products doesn't come any higher and we are thoroughly delighted to have the endorsement of The PGA.

"Asbri has built a reputation as one of Europe's leading logo accessory brands with their wide range of high quality crested merchandise and significant global distribution. Their established set-up and exceptional service has made them a trusted supplier to The PGA for a number of years. So we are delighted to strengthen our relationship and promote their brand even further to our Members, partners and branded properties."

PGA Chief Executive, Robert Maxfield
