THE MASTERS

Hosted by

THE HISTORY

The Masters Tournament was first held in 1934, at the Augusta National Golf Club. The tournament was the brainchild of legendary golfer Bobby Jones, who wanted to create a tournament like no other that would be held at a course he has co-designed.

Jones enlisted the help of investment banker Clifford Roberts to finance the tournament and oversee its operations - Roberts & Jones then created what would become one of the most revered and historic golf tournaments in the world. It was not until the late 1930s that The Masters began to gain traction, with world class golfers like Sam Snead and Ben Hogan playing in the event.

ACCOMMODATION #1

WESTIN HILTON, HEAD ISLAND

Located on a lively, vibrant stretch of the Atlantic Ocean, The Westin Hilton Head Island Resort & Spa is a stimulating experience for guests in South Carolina. Our oceanfront resort in Hilton Head is committed to your well-being, from the soothing coastal colors of our restaurants to the beachy décor of our modern rooms.

HARBOUR TOWN LINKS, SEA PINES RESORT

Harbour Town Golf Links is home to the RBC Heritage, South Carolina's only PGA TOUR event, this distinguished course places a premium on finesse, imagination and shot making, rather than strength. Put your game to the ultimate test against a collection of par threes, ranked among the world's finest, and a par four 18th hole that is one of the most recognisable holes in all of golf.

PALMETTO DUNES

Designed by the late, legendary course architect Pete Dye, this golf course challenges golfers with risk-reward long and short holes. The fairways move toward and away from hazards and Dye's ubiquitous mounding and swales framing target areas make this a must-play course.

ATLANTIC DUNES, SEA PINES RESORT

Hilton Head's most celebrated golf and leisure retreat announces its new Atlantic Dunes by Davis Love III will open in October 2023. The layout is a complete reconstruction and recreation of the resort's historic Ocean Course, the first built on Hilton Head. Tens of thousands of indigenous plants have been installed in these areas and the surface is a blend of cutting-edge grasses at the resort's acclaimed Harbour Town Golf Links.

ACCOMMODATION #2

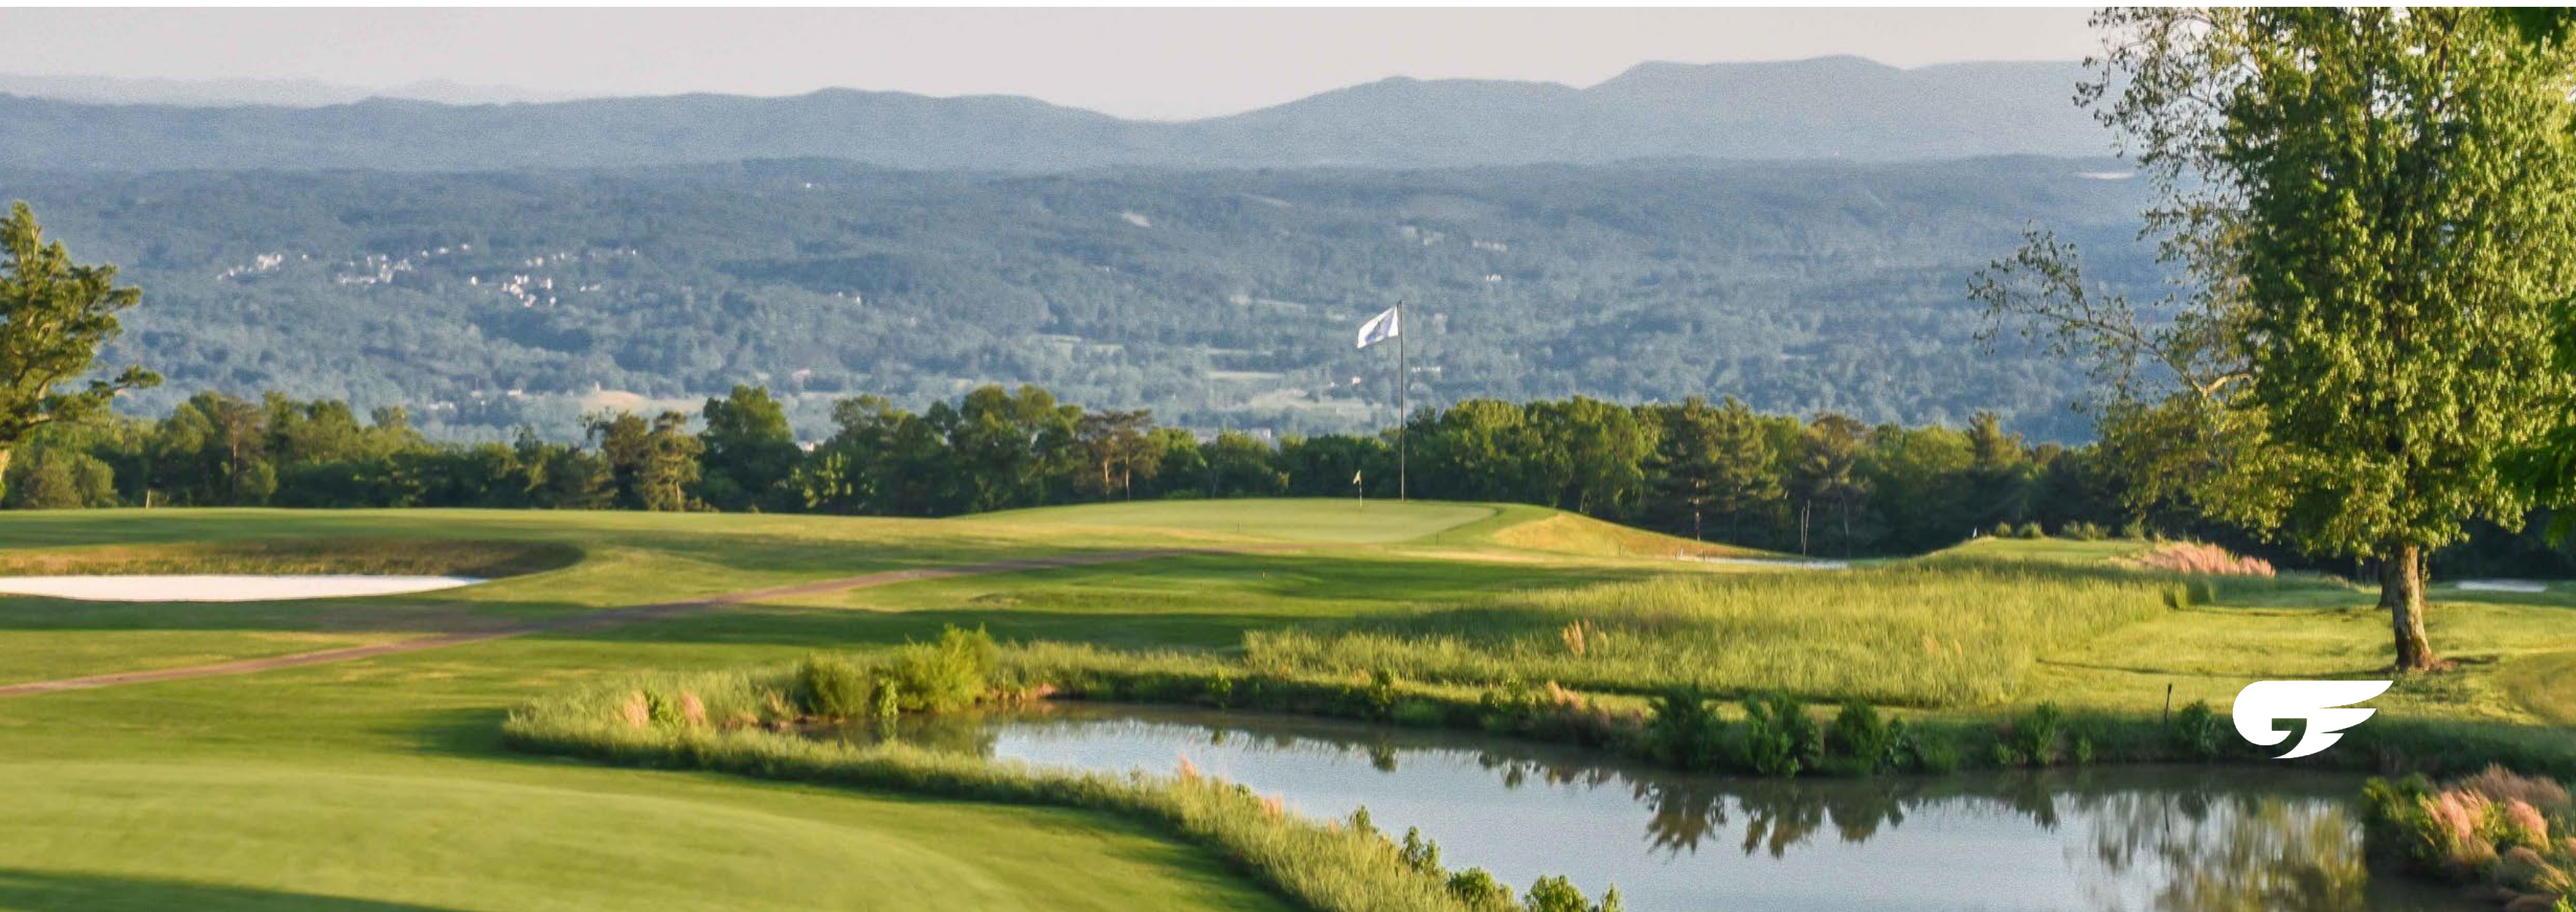

HILTON GARDEN INN, ATHENS

This hotel is in the heart of downtown Athens, within walking distance of the University of Georgia campus and adjacent to the Classic Center. The Garden Grille & Bar serves breakfast and dinner, and snacks are available all day in the Pavilion Pantry. WiFi is free, and we have a 24-hour business center and fitness center.

UNIVERSITY OF GEORGIA GOLF CLUB

The Golf Course is as beautiful to look at as it is challenging to play. Set on the rolling terrain of northeast Georgia, this par 71 Robert Trent Jones layout is widely regarded as one of the best university courses in the United States. While extremely challenging from the championship Bulldog Tees, the course has six sets of tees to help golfers of all abilities enjoy their round on this classic layout.
